

Full Stack Developer

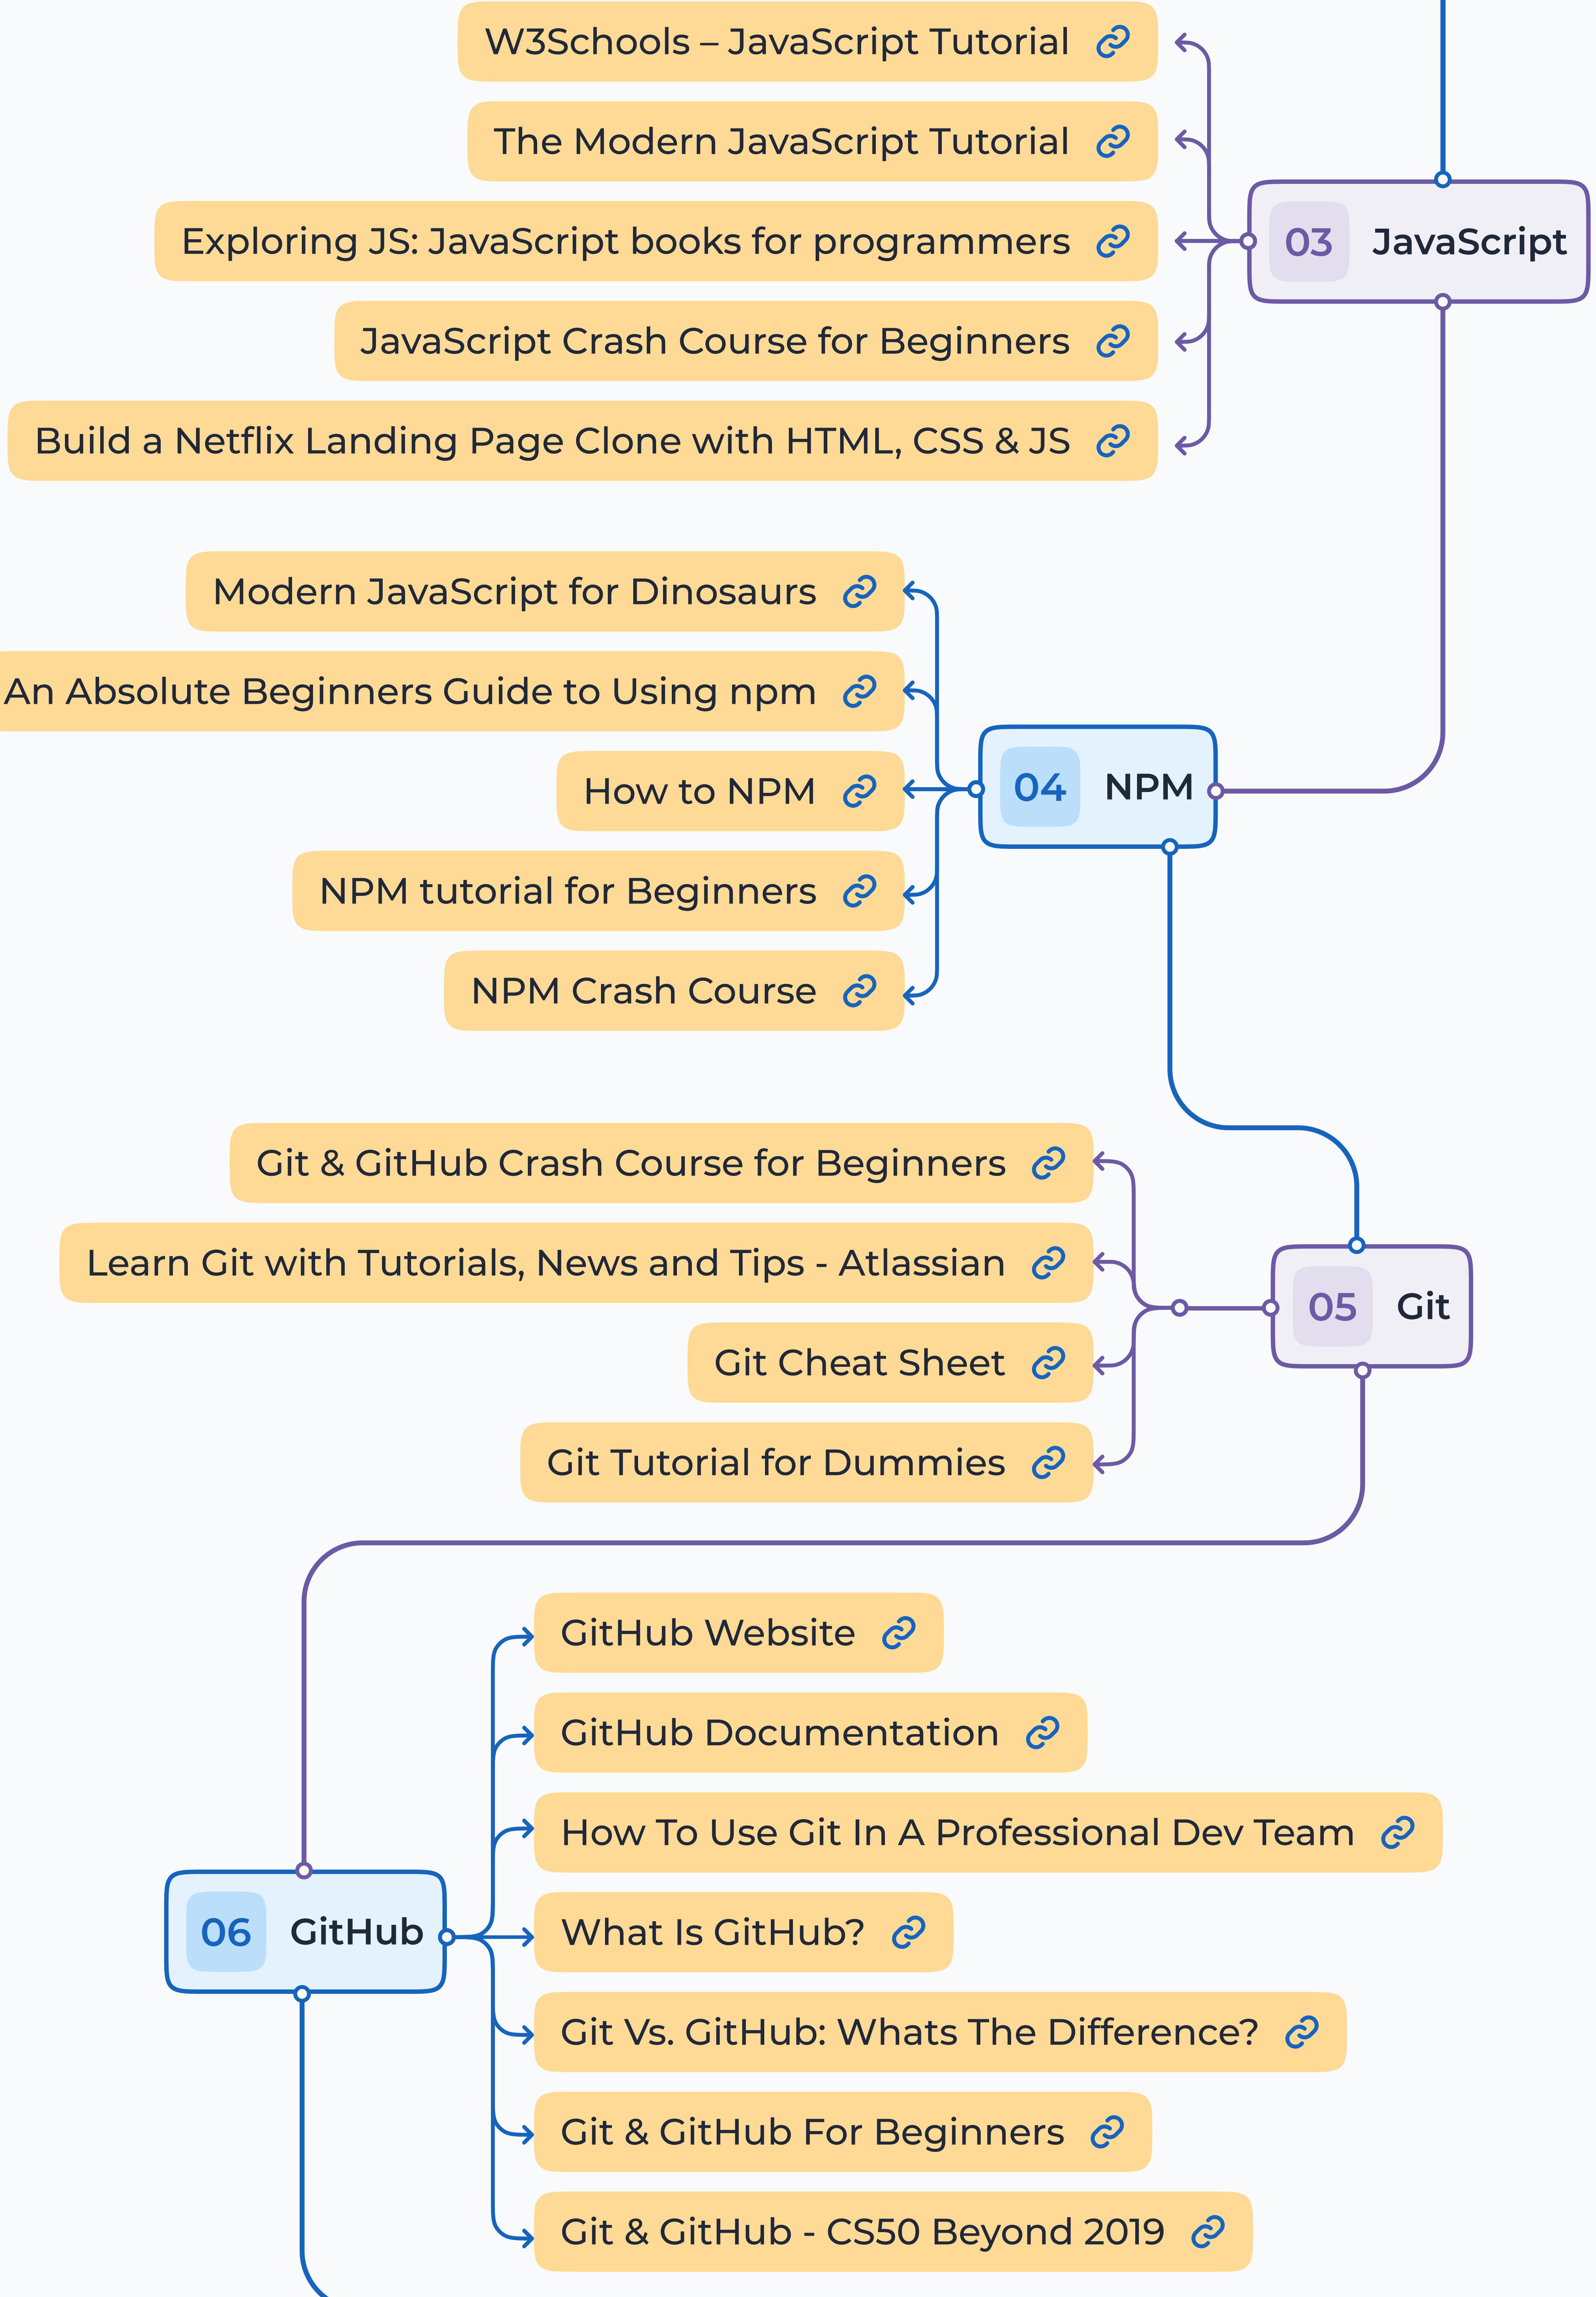

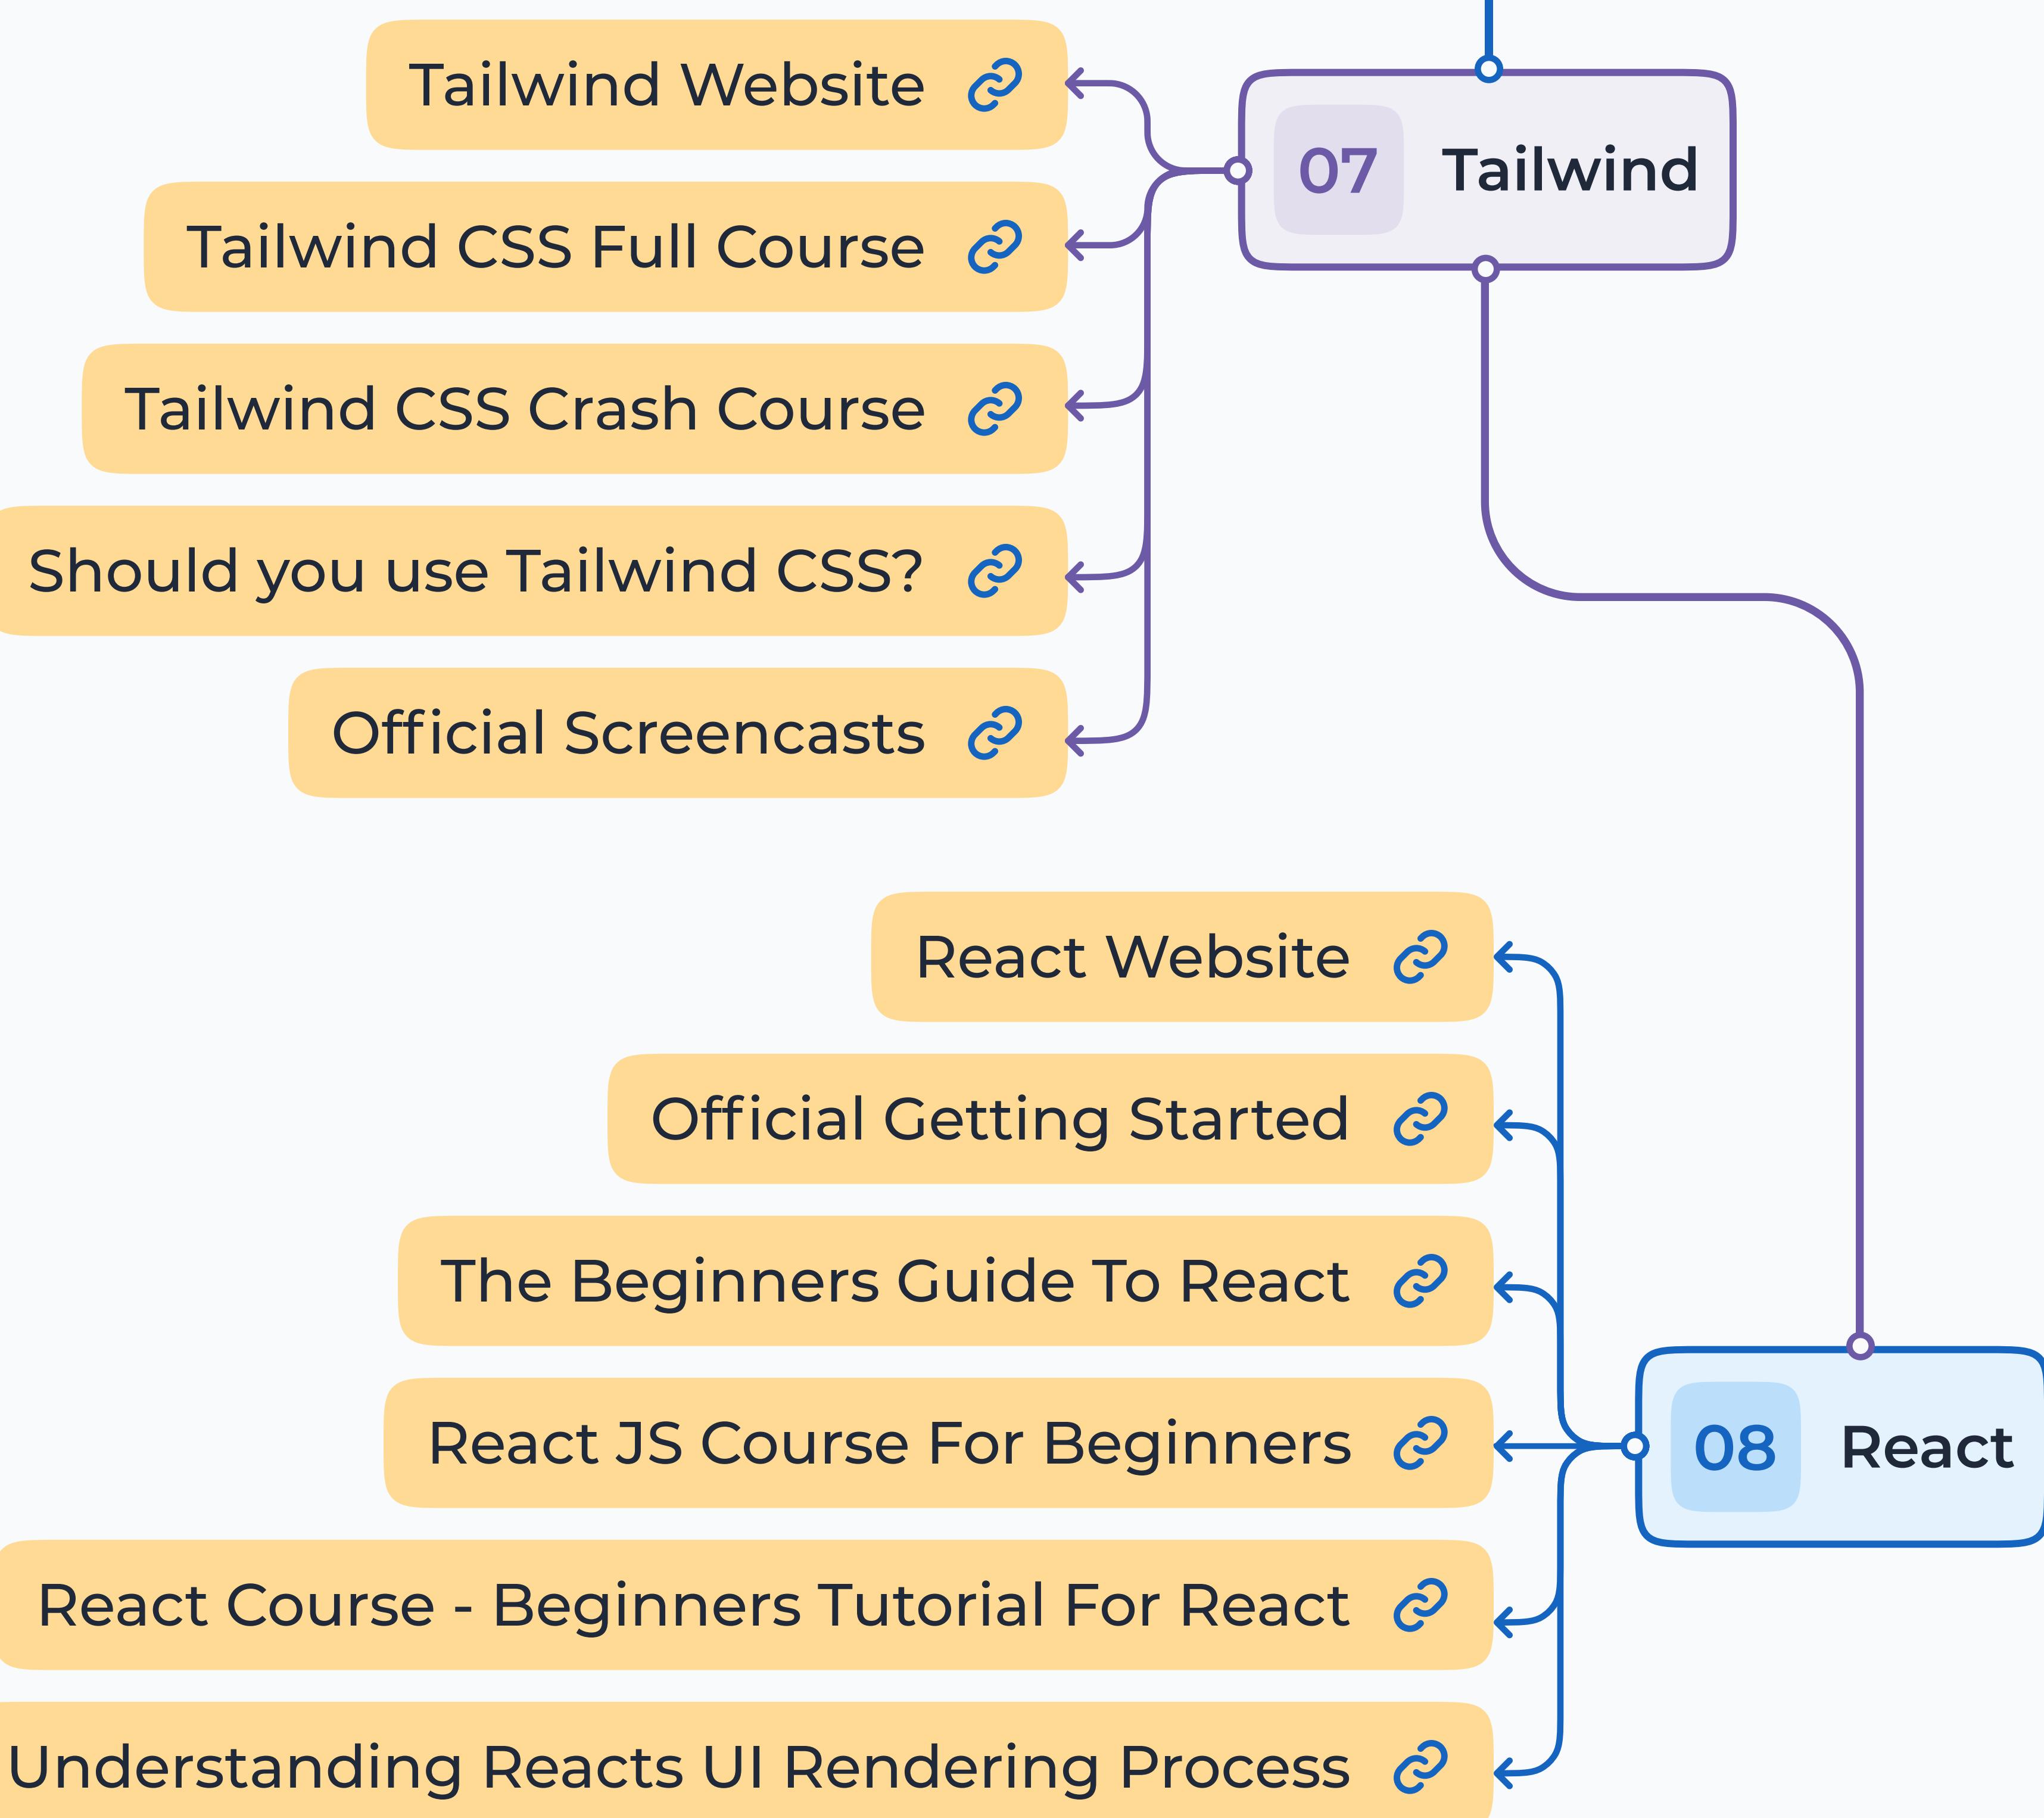

Full Stack Developer Roadmap

ONEROADMAP.IO

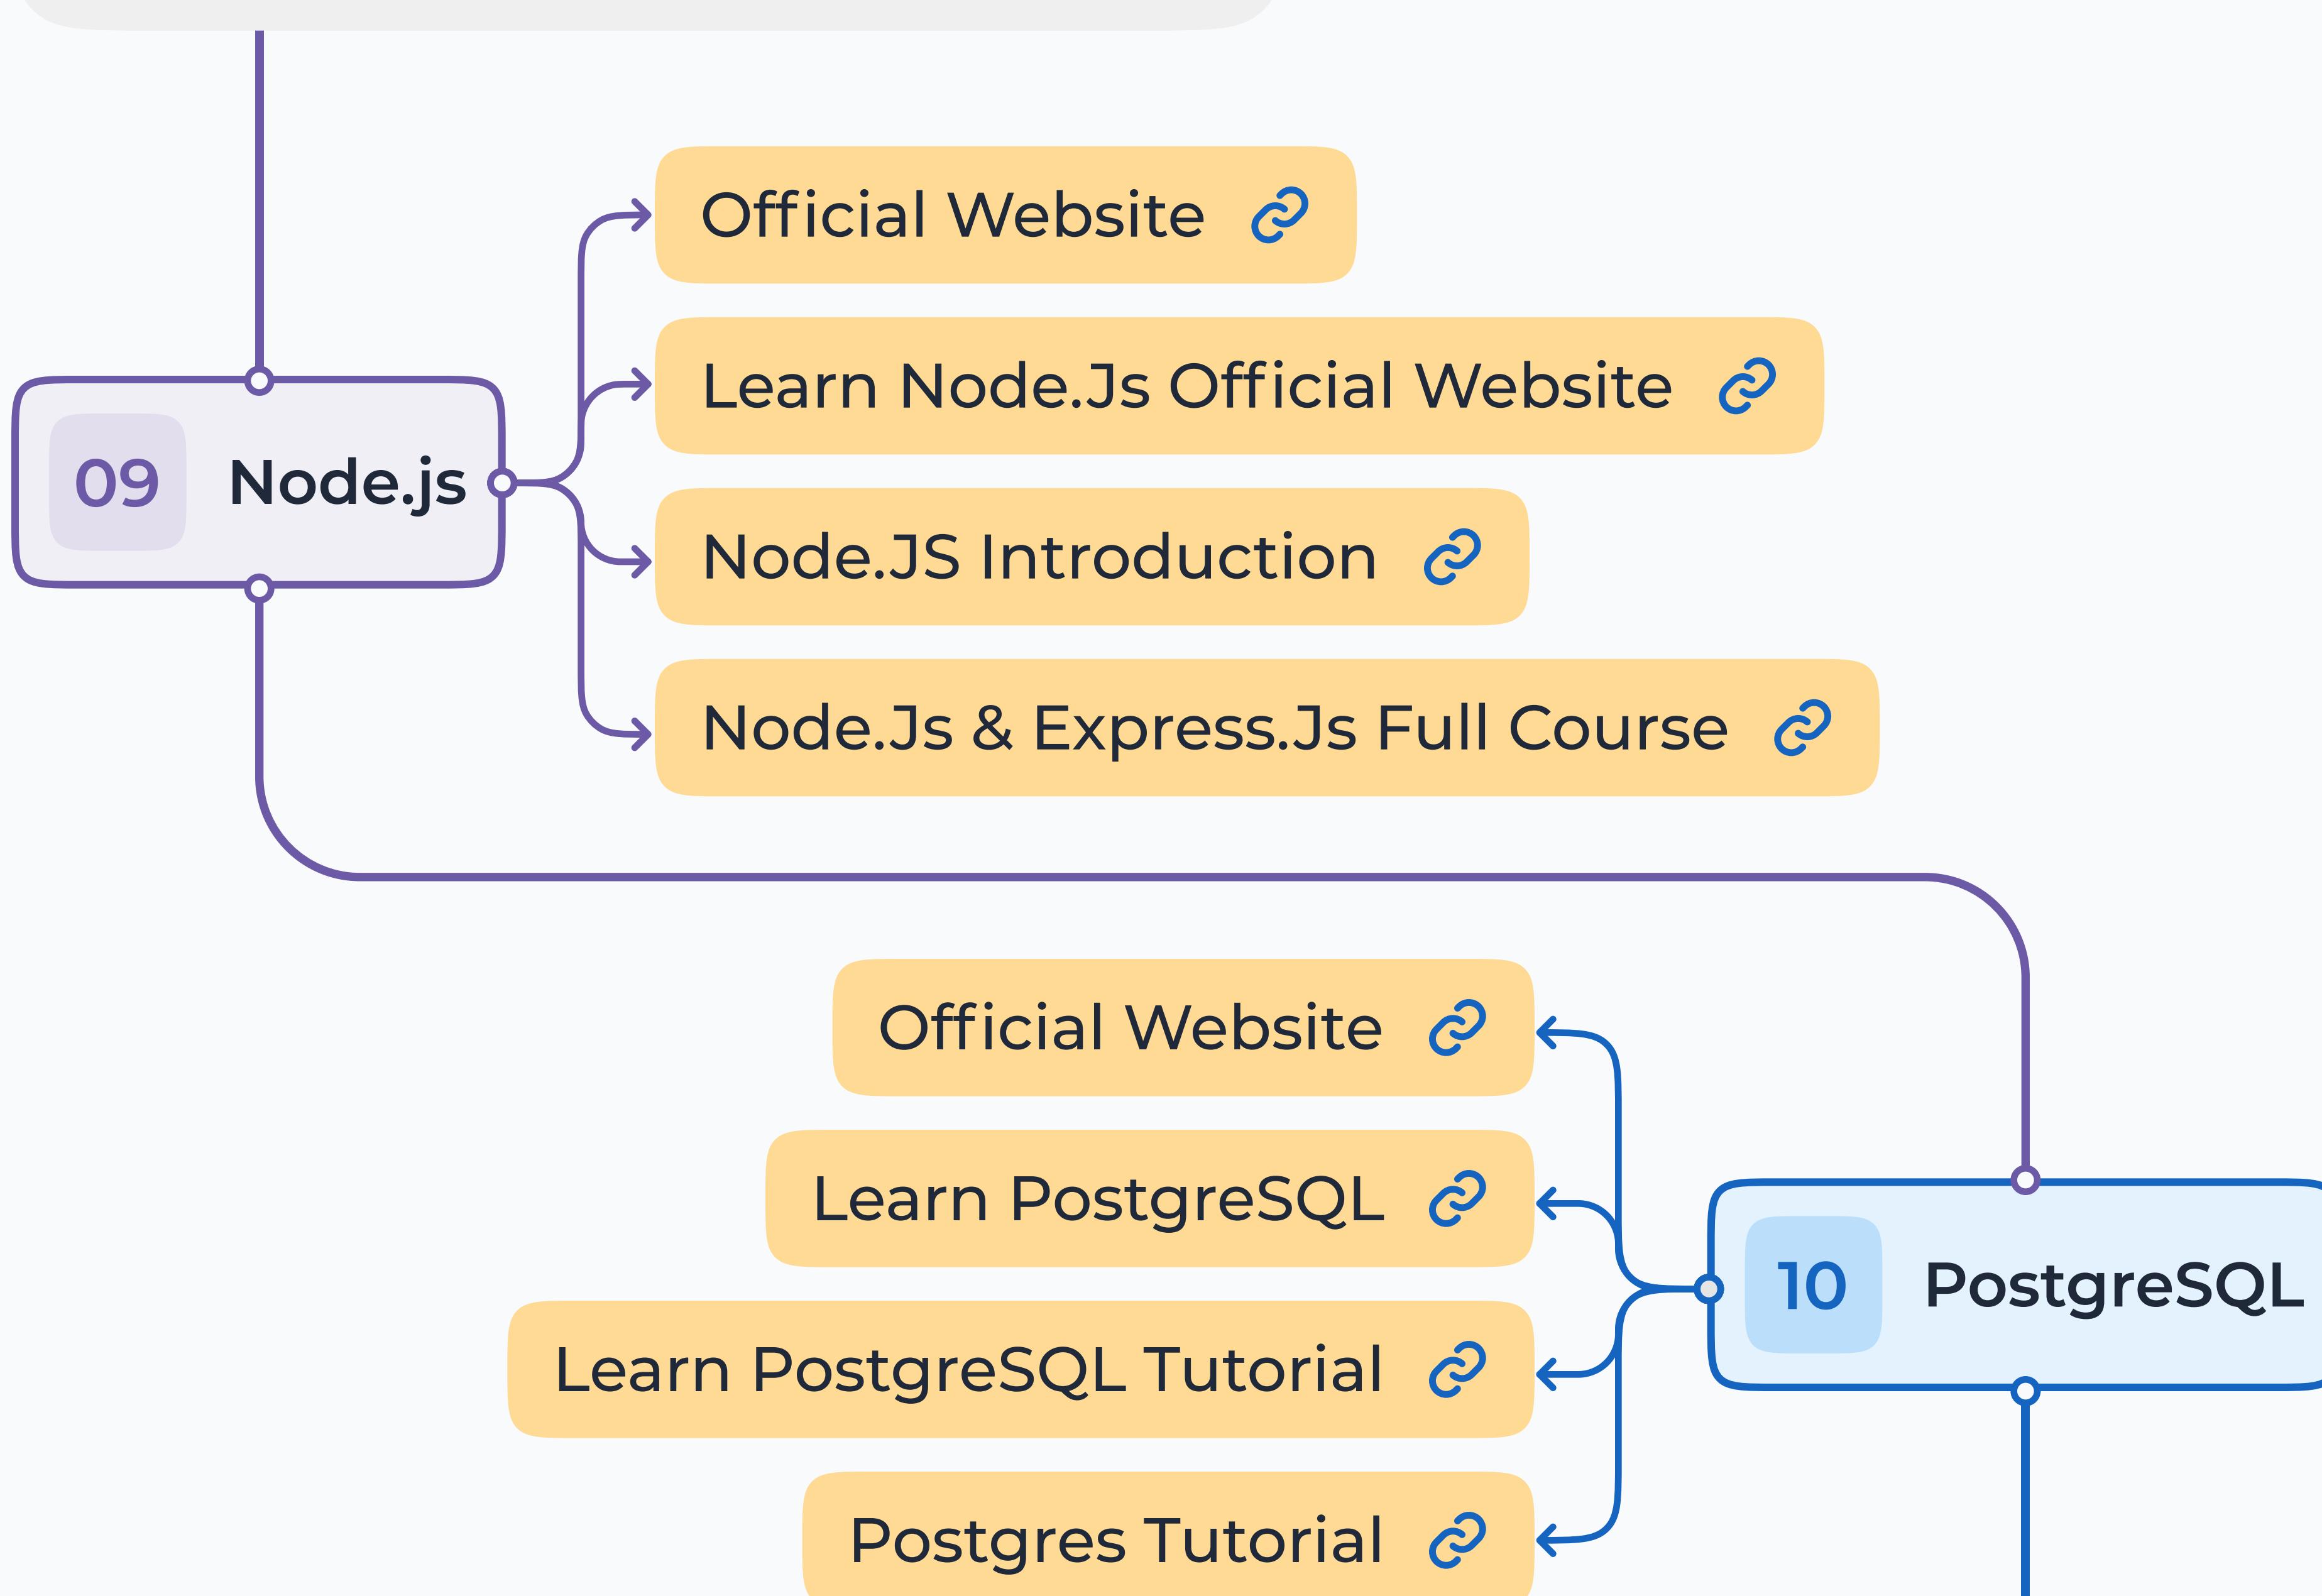

Step by step guide to becoming a modern full stack developer

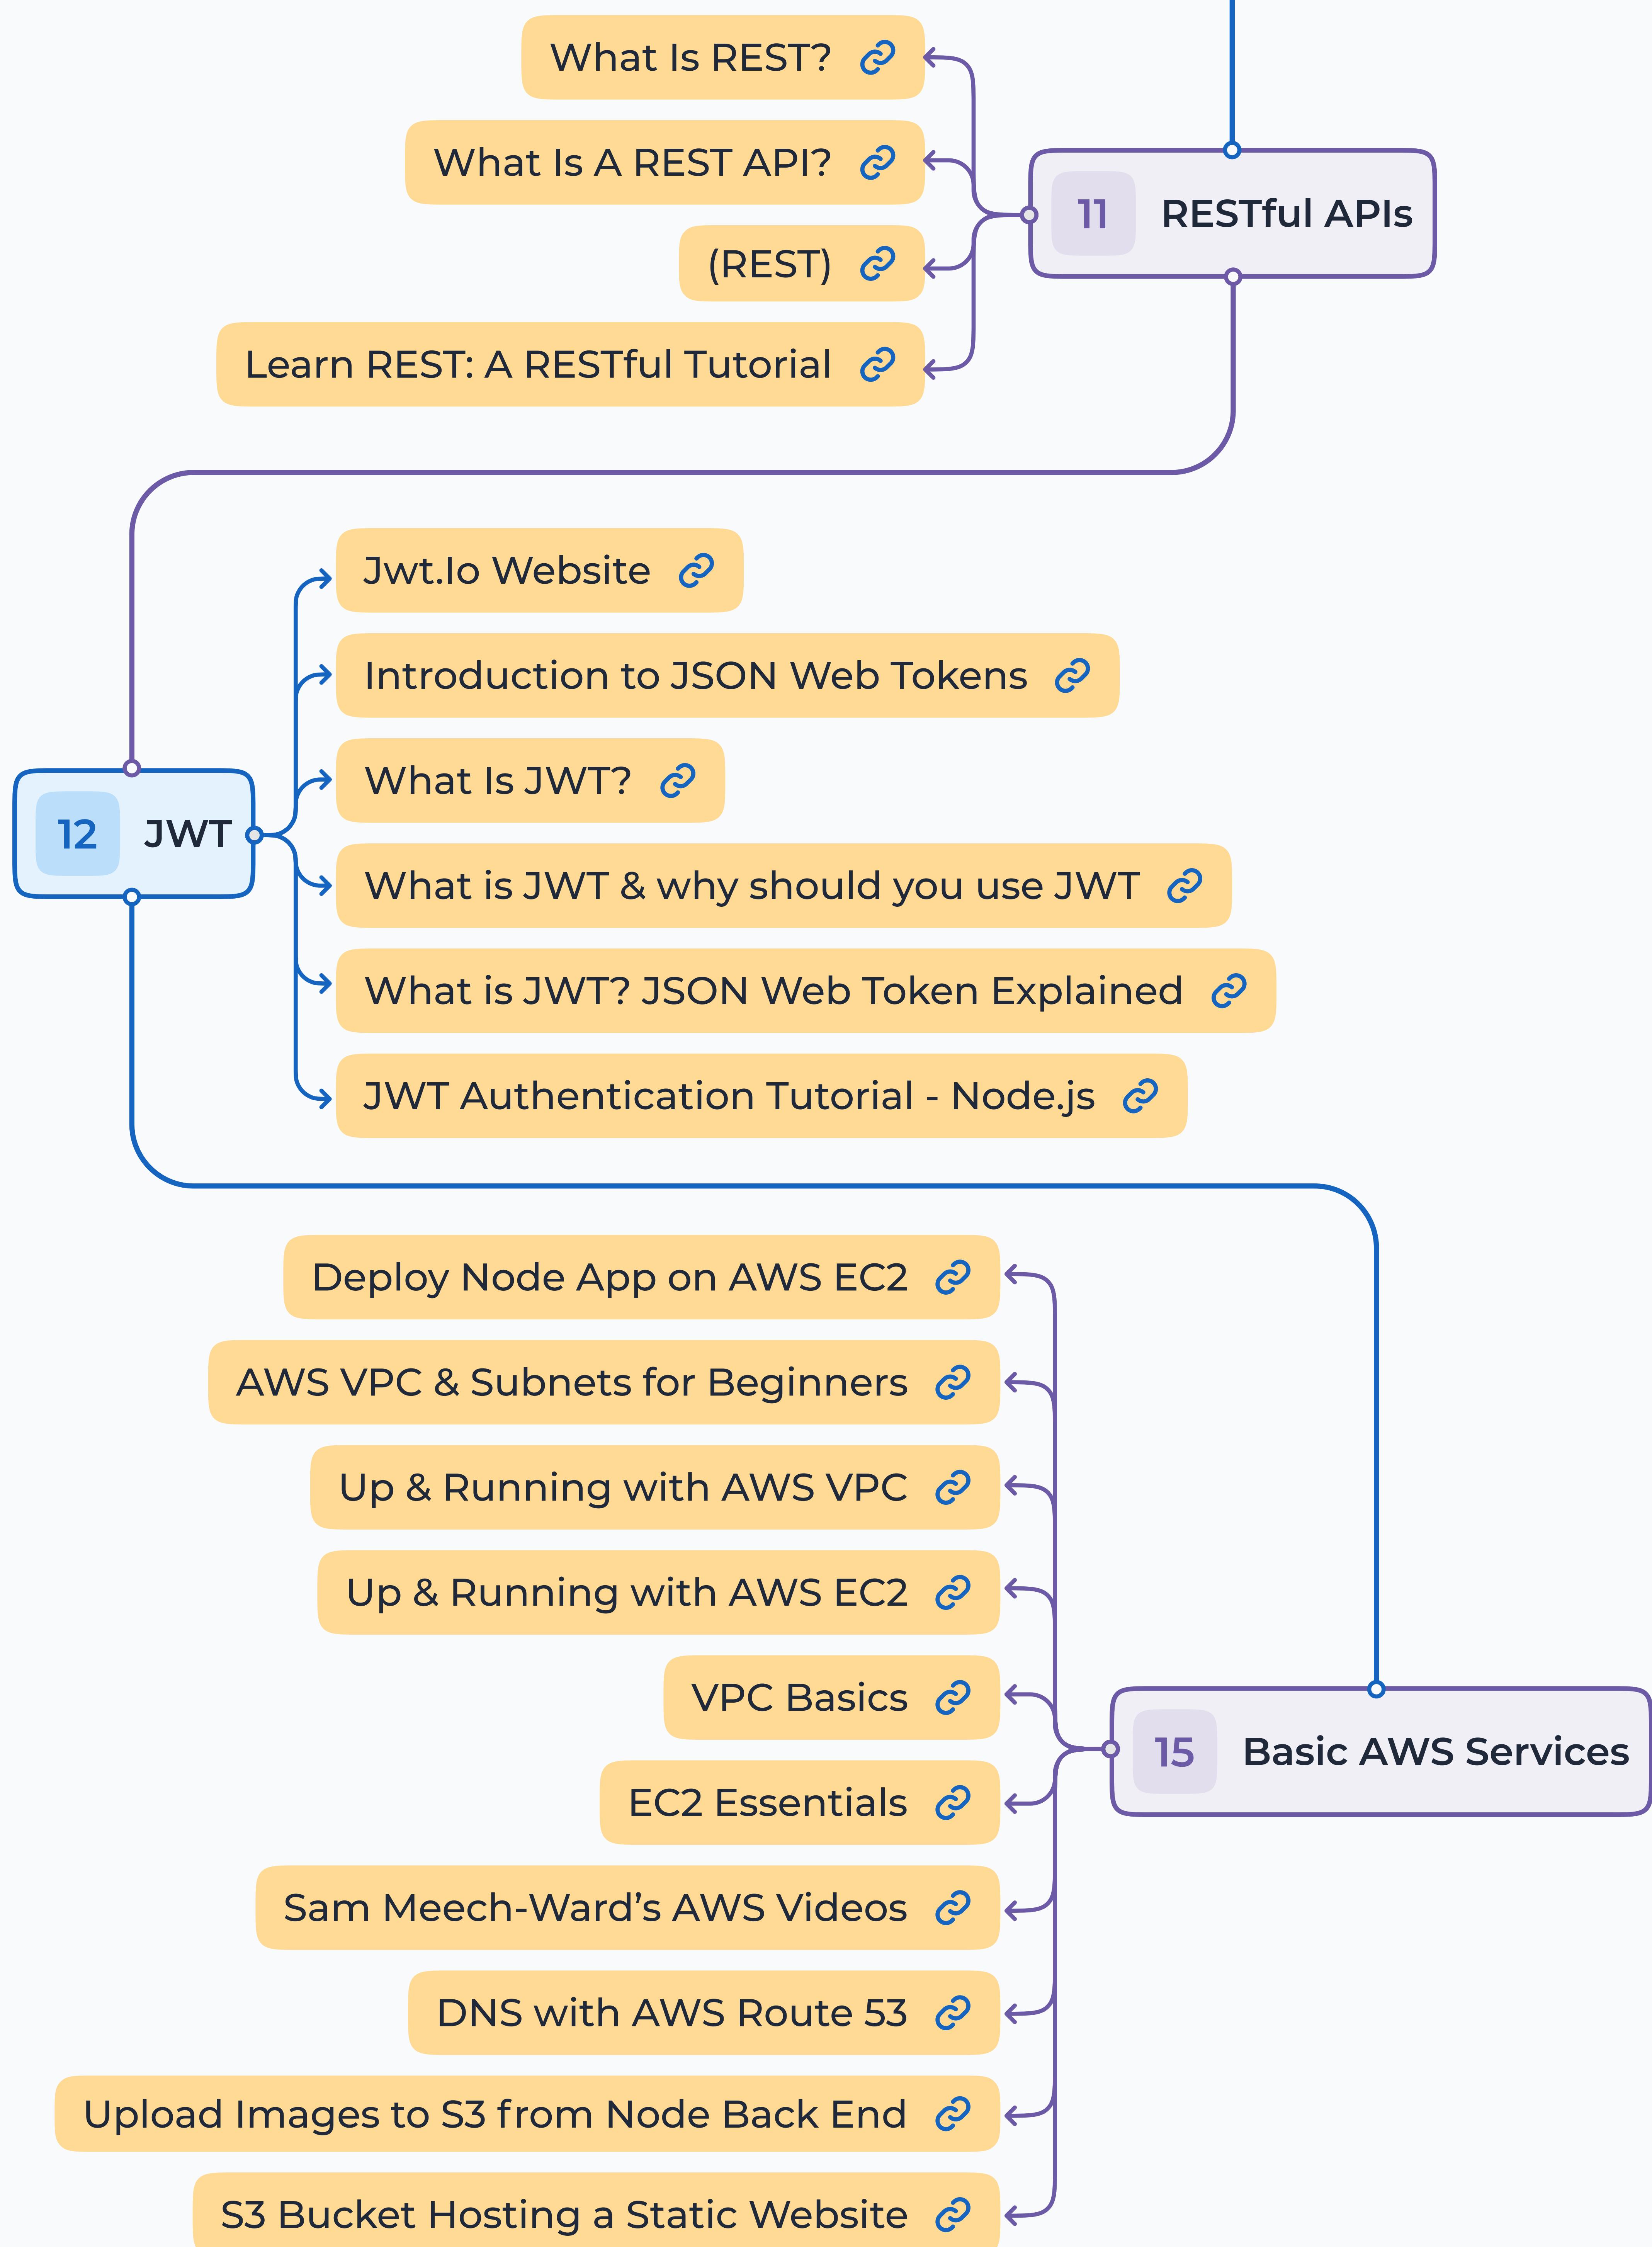

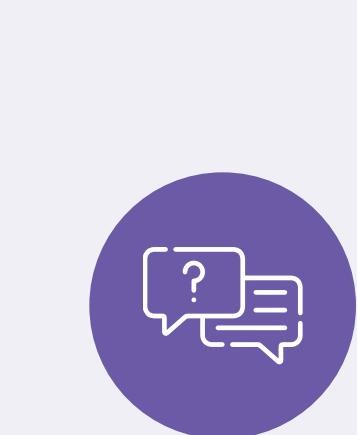

Back-end Development

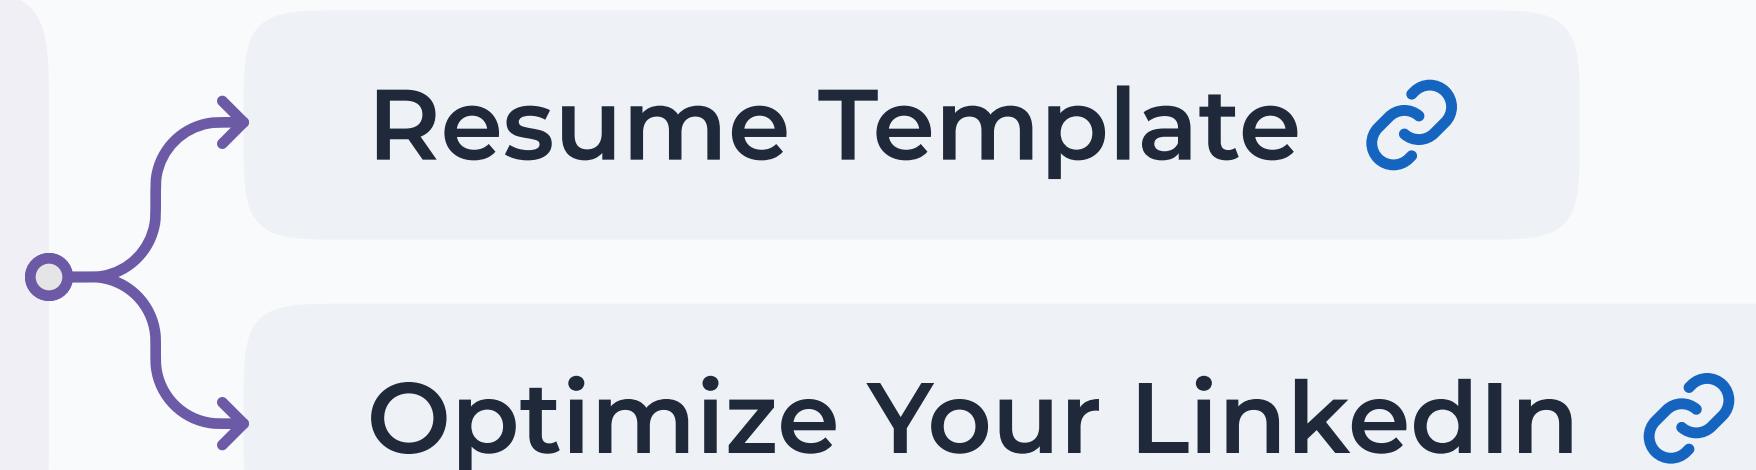

Happy Learning!

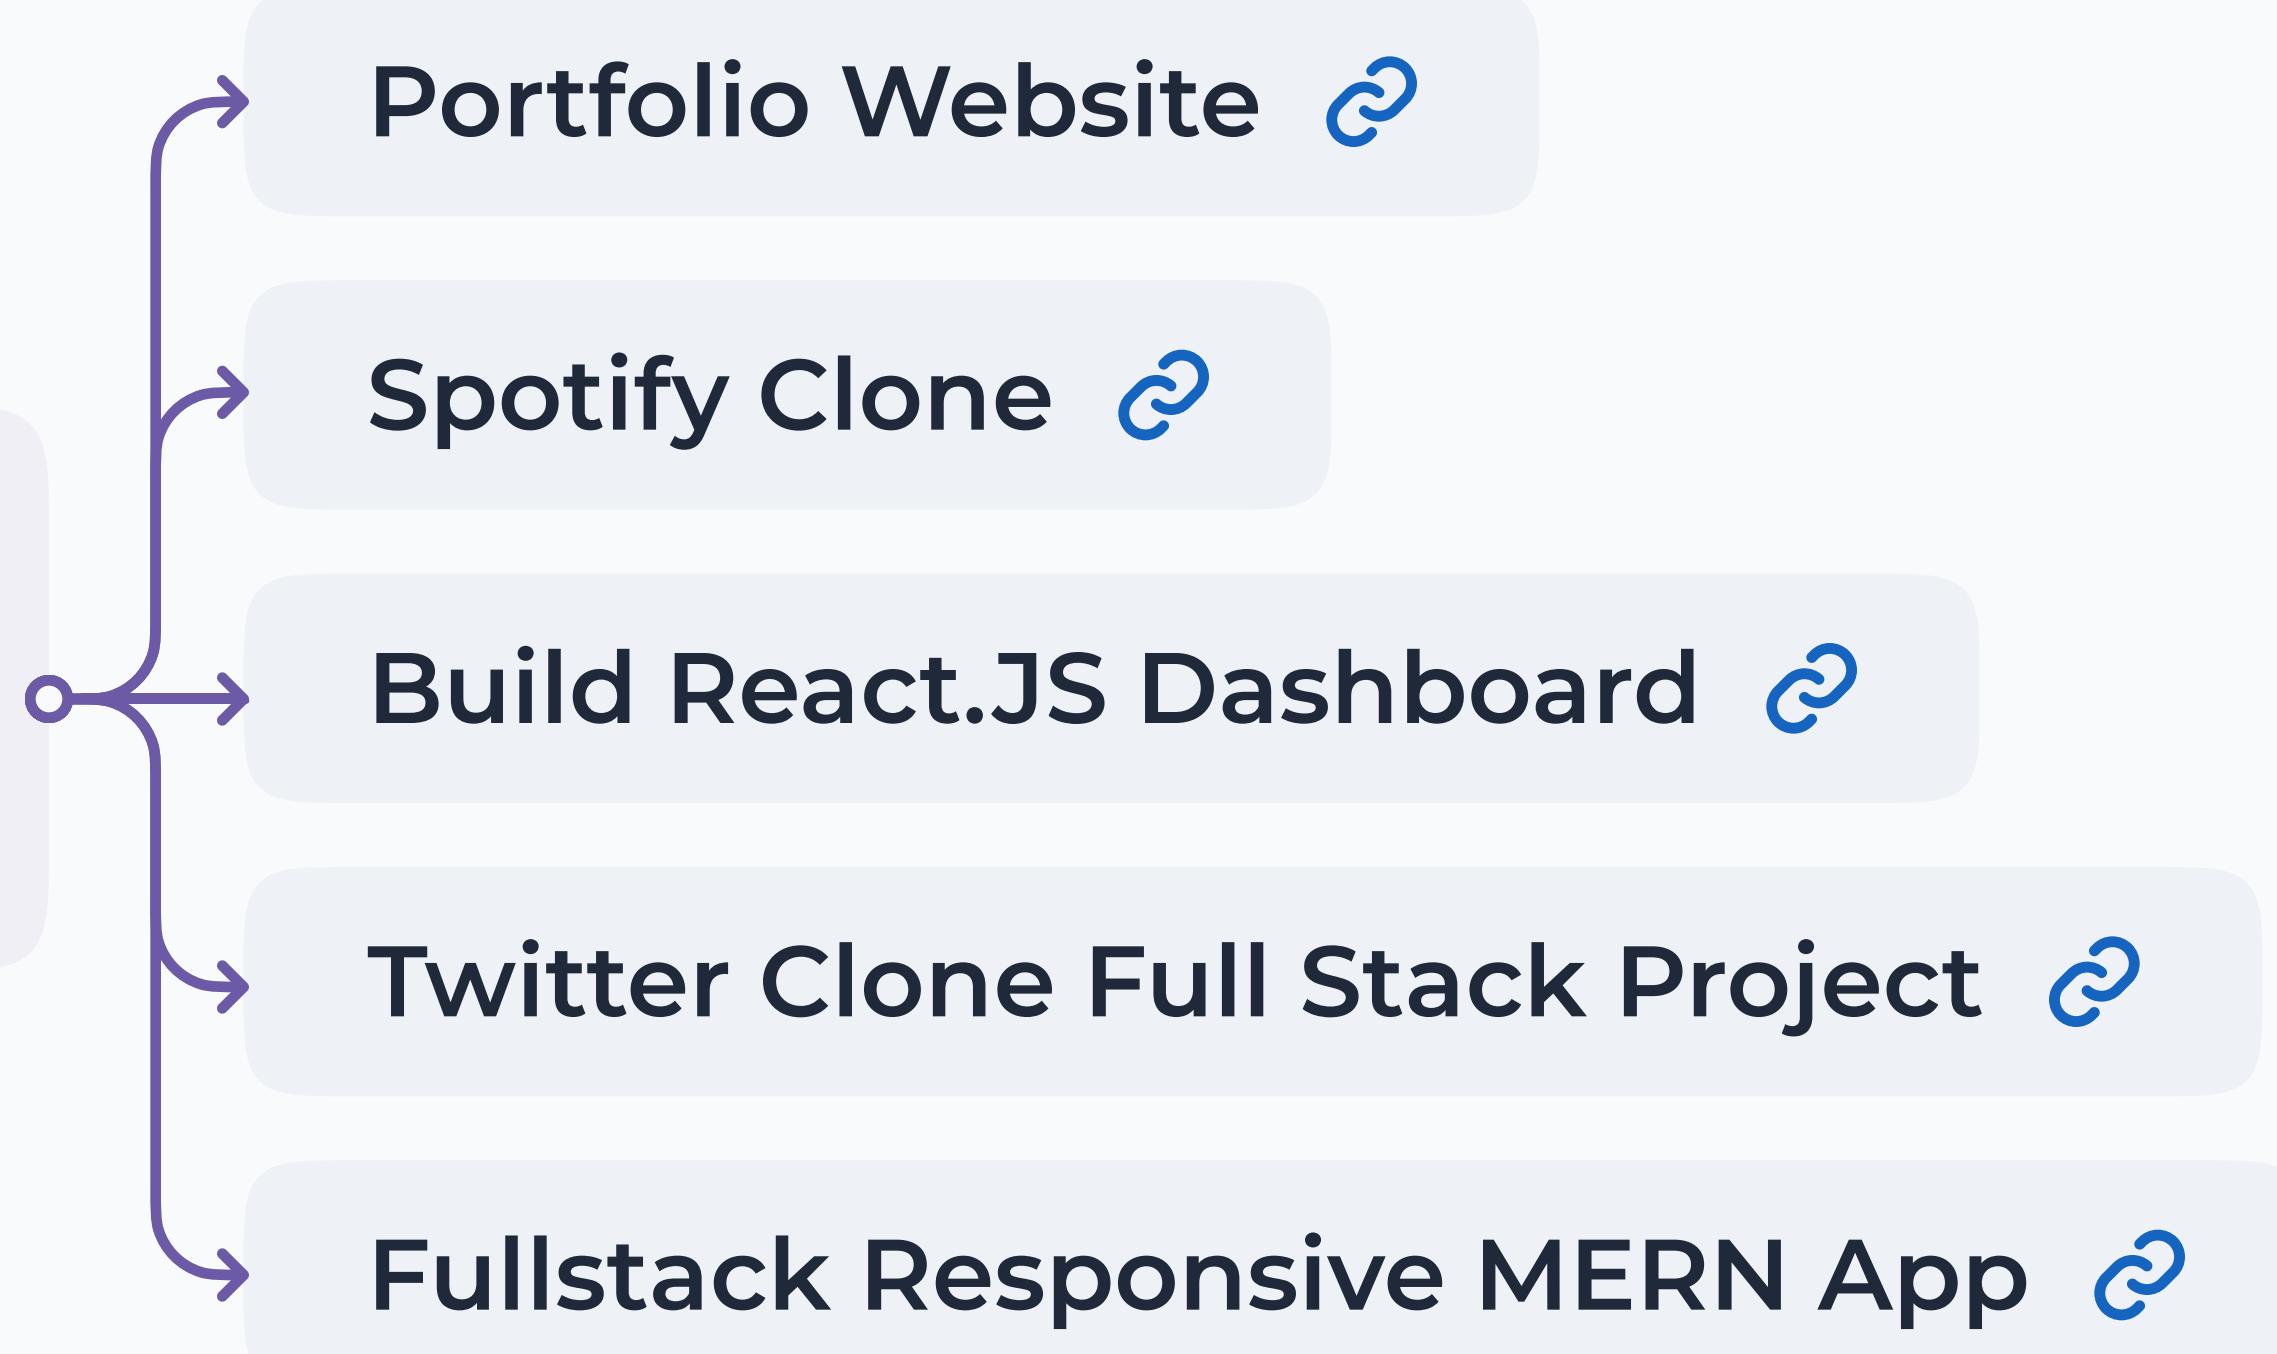

Interview Preparation Resources

Additional Resources

Project Ideas

Note:

- This is a basic roadmap and it may need customization based on individual needs and goals.
- Building projects is crucial, so start as soon as you feel comfortable with the basics.
- Resources mentioned are free, but there are also many paid resources, bootcamps, and certifications available that can expedite your learning.
